

At Imperial Surgical Ltd., we have two types of IV Poles to offer. Our versatile modular design means you simply select the type and the components that work best for your needs. All of our IV Poles and components are backed by an industry leading 10 year warranty against manufacture defects.

CHOOSE AMONGST

- Our traditional **Stainless Steel IV Poles**, made from 300 grade stainless steel that is easy to clean and disinfect
- Our **NEW Antimicrobial IV Poles**, made from the same high-quality stainless steel and protected with PMRA and EPA registered **CuVerro Shield™** by Aereus Technologies
